Think About This

In the beginning, the world was empty. There was nothing except God. Then God made the heavens and the earth! Isn't God amazing?!

Pray About This

Dear God, thank you for making the heavens and the earth! You are amazing! I praise and worship you because you are our mighty Creator God! In Jesus' name I pray, Amen.

Do This

At night, turn off your room light and shine a flashlight at your Galaxy Jar.

Sing your favorite worship song and thank God for making everything in this world, including you!
