

The Good Samaritan Pop-up Card

1. Cut out the large rectangle along the black solid lines.
(Take note of the positions of the grey dashed lines **A** and **B**.)
2. Fold along the grey dashed line **A**, with the printed figure facing out.
3. With the paper folded, cut along the black dotted lines next to the printed figure.
4. Fold along the grey dashed lines near the hands of the printed figure. Then unfold all.
5. Fold the rectangle along the grey dashed line **B**. The printed figure should be facing out.
6. Apply a little glue along the short edge of the rectangle to stick the 2 halves together.
Be careful not to apply any glue near the printed figure.
7. Fold along the grey dashed line **A** again, this time with the printed figure on the inside.
8. Unfold slightly and gently pull on the printed figure to make it pop-up.
The inside of your pop-up card should look like this:
9. Draw in the details (face, hair and clothes) and add colors.
10. You may also like to add a message on the outside of the card, such as:

Hi there!
Hello :)
Have a nice day!
Smile!
Cheers!
Jesus loves you!
