

Fun with Family & Friends

Here's a fun activity you can do with your family & friends this week - show everyone your bag of bread scraps and tell them the story Jesus Feeds the Five Thousand.

Brainstorm what you can do with your bag of bread scraps. (Google "what to do with leftover bread crusts" if you need some inspiration!). Go ahead and execute your best idea!

Discuss these questions as you eat your Goldfish snack:

1. What did Jesus do with the little boy's small lunch of 5 small loaves of bread and 2 small fish?
2. What are some gifts, talents and possessions that God has blessed us with?
3. How can we serve God with these gifts and talents?

Think About This

What are some things that you can do?

(These are your gifts and talents.)

What are some material things that Jesus has blessed you with?

(For example, food, clothing, books, toys...)

How can you use your gifts, talents and possessions to serve Jesus?

Pray About This

Dear Jesus, thank you for the Bible lesson on Jesus Feeds the Five Thousand. When the disciples looked at the large crowd and the little boy's small lunch, they thought they didn't have enough. But thank you for showing us that you can do mighty wonders with the little boy's small lunch! In the same way, I know that you can do mighty wonders with my gifts, talents, and possessions. Please help me to use them to serve you. In Jesus' name I pray, Amen.

Do This

Cut the tip off the mouth of your "fish", and squeeze the bread spread onto your bread. Enjoy your snack!
